

# Health, Safety and Environment Policy Statement

Occuhealth is committed to ensuring a safe and healthy working environment for all workers, contractors and visitors and anyone else who may be affected by the Company's operations. It aims to be proactive in preventing workplace incidents and ensure all work activities are done safely.

To accomplish this, we will:

- Provide and maintain work environments (including equipment and systems of work) that are safe and without risk to health;
- Provide adequate facilities for the welfare of workers and other persons at work;
- Provide information, instruction, training and supervision as is necessary to protect all persons from any risks to their health and safety arising from the conduct of the Company's business;
- Monitor the health of workers and workplace conditions in order to prevent illness and injury arising from the conduct of the Company's business;
- Liaise with senior management on a regular basis on any matters concerning work health and safety;
- Consult with workers on matters of health and safety, directly with workers and through any Health and Safety Representatives; and
- Strive for continuous improvement in our HSE performance.
