CREATING HEALTHIER WORKPLACES

RESP-FIT Accredited Fit Test Training QNFT-CNC

About Occuhealth

Occuhealth is an occupational health and hygiene consultancy company based in Western Australia. The company has been partnering with industries for over 20 years to help create healthier workplaces.

We provide customised service packages to suit each client's needs.

About the training

Our respiratory fit testing training course provides comprehensive and practical guidance on how to use the PortaCount or AccuFIT for conducting respirator fit testing in line with the RESP-FIT syllabus.

Course content references:

- ❖ AS/NZS 1715:2009 Selection, use and maintenance of respiratory protective equipment
- ❖ AS/NZS 1716:2012 Respiratory Protective Devices
- ❖ OSHA 1910.134 Respiratory Protection
- ❖ ISO 16975-3 Respiratory Protection Devices – Selection, use and maintenance – Part 3: Fit Testing Procedures
- ❖ TSI PortaCount Manual

Delivery Method

Our course is presented over 1.5 - 2 days and is a combination of theory and practical training.

Training presentation handouts will be supplied.

Maximum 6 participants per class however, larger classes can be accommodated for upon request.

Day 1 Face to face facilitator led presentation

Day 2 Practical demonstration and hands on learning

Course times:

8:30am to 4:00pm with scheduled breaks for morning tea, lunch and afternoon tea.

Learning Outcomes

- ❖ Understand the requirements of fit testing as per the standards
- ❖ General fit test considerations and selection of RPD
- ❖ Value of fit testing and your role as the operator
- ❖ Fit testing methodology and protocol
- ❖ Setting up and calibrating equipment
- ❖ Capabilities and limitations of RPD and equipment
- ❖ Ability to conduct a fit test per the nominated methodology
- ❖ Care and maintenance of RPD
- ❖ Troubleshooting

Venue and Catering

- ❖ Training conducted at Occuhealth Belmont or Mandurah office.
- ❖ Lunch, morning and afternoon tea provided.
- ❖ Off-site training at client premises on request – we require the following resources; a training room, projector and screen, desks and chairs.

Cost of Course

\$1,150.00 (excl GST) per person.

Attendance Certificate

Workshop attendees will receive a Certificate of Attendance from Occuhealth. This training will provide you with the base theory knowledge that is assessed when applying to become an Accredited Resp-Fit fit tester.

Pre-course preparation

There is no pre-course preparation required.

Questions and additional information

If you have any queries about the course please contact our Training Facilitator on (08) 9537 5700 or email training@occuhealth.com.au
